

Stainless PLUS KEG

Stainless PLUS KEG

With more than 20 MILLION innovatively designed KEGs manufactured and supplied to the beverage industry over the last 30+ years, Schaefer has proven that they are the stainless steel KEG specialists.

Special Features

Extreme Durability

Theft Deterrent

Sound Dampening

Insulated

Stackable

A deep-drawn stainless steel body inseparably bonded to a polyurethane jacket is the technology that makes the PLUS KEG technically and economically superior to other kegs. There are over eight million Schaefer PLUS KEGs on the market worldwide in challenging environments. This is proof of the outstanding quality of these kegs. Proven technology, stackable, easy to handle and fully tested for safety; PLUS KEGs offer you reliability that is stainless to the core.
