# Stainless Yeast Brinks Cellar Topping Kegs

With more than 25 MILLION innovatively designed KEGs manufactured and supplied to the beverage industry over the last 40+ years, Schaefer has proven that they are the stainless steel KEG specialists.

## Special Features

**Durability**

**Longevity**

**Comfort Grip Handle**

**Highly Adaptable**

Based on the Schaefer SUDEX line of kegs, our Yeast Brinks / Cellar Topping Kegs are manufactured from 304 stainless steel to Schaefer's high quality standards.

Whether used for brewing, wine, other beverage or industrial applications our kegs are almost infinitely adaptable by use of widely available tri clover / tri clamp fittings.

Kegs are generally available from stock in a wide variety of sizes with different fitting options. Schaefer will provide one unit or truckloads, as required.
